

ACCESS PROTOCOL AND SERVICES

Marked areas close to the fronts of stages are reserved for people with disabilities in wheelchairs and hard of hearing to better see sign language interpreters on stage. Braille, large-print programs, and wheelchairs for short-term use are available at the Access Hospitality Tent. Accessible and extra-large accessible toilet stalls are located throughout the site, including one directly in front of First Aid.

INFORMATION

Message board, Lost and Found (objects and people), and information on area service (gas, markets, restaurants, train schedules) can be found in the information booth adjacent to the Hudson Stage near the Main Entrance.

DRINK CLEARWATER

The festival will provide two options:

- **TAP WATER:** Fill your own containers. Clearwater is selling reusable bottles, which you can fill at the Tap Water Station, located by the marketplace at the building.
- **BOTTLED ICED WATER:** Sold at stands around the site.

ZERO WASTE / RECYCLE

Use containers at our Zero Waste stations located throughout the festival grounds for compostables, glass, plastic bottles and cans.

POISON IVY

Croton Point Park is home to many wonderful plant species, and some, like poison ivy, which can be harmful to humans. PLEASE BE CAREFUL. Remember: "Leaflets three, let them be."

LOST CHILD / EMERGENCIES

Please speak to your children about a plan in case they get lost. In case of a lost child or an emergency, visit Communications (see site map for location).

BABY CARE CABANA
